BROADMAYNE

04 December 2019

GRANT OF NON MATERIAL AMENDMENT
Town and Country Planning Act 1990,
Planning Act 2008,
Town and Country Planning (Development Management Procedure)
(England) Order 2015 (DMPO)

This permission does not carry any approval or consent which may be required under any enactment, byelaw, order or regulation (eg in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Application No: WD/D/19/001264

Location of Development: 49 CHALKY ROAD, BROADMAYNE, DORCHESTER, DT2 8PJ

Description of Development:

Non Material Amendment to application **WD/D/18/002624**

Amendment to planning approval WD/D/18/002624 - Reconfiguration of internal layout and alterations to south facing part of extension

In pursuance of their powers under the above mentioned Act, Dorset Council, HEREBY GRANT the non material amendment in accordance with the details described above.

Subject to the following:

1. The scheme does involve elevational changes mainly to the rear South elevation (but also some changes to fenestration on the East and West elevations) both in terms of the appearance and the height of the South facing projection.(which is reduced). There are no other properties immediately to the south that might be affected by this change. Consequently the proposal would not impact upon the appearance of the whole building as approved.As such the proposals are acceptable as non-material amendment.

Plans approved by this Non-material Amendment:

Plans ref 18/149/04B & 05B

Chief Executive: M Prosser

Signed:

Mike Garrity
Nominated Officer

Dated: 4 December, 2019

CC: BROADMAYNE Parish Council
Area Office (if applicable)
Chairman of Development Control Committee

Members' Allowances – Recommendations of the Dorset Parish Independent Remuneration Panel

1. This report has been prepared by the Dorset Parish Independent Remuneration Panel (the **Panel**) comprising three individuals drawn from the community, all of whom have significant previous experience in the work of local authority remuneration panels:

- (i) Mr John Quinton (Chairman);
- (ii) Mr Keith Broughton; and
- (iii) Mr Martin Varley.

2. The Panel is established to make recommendations on the scheme of members' allowances for civil parish councils within the Dorset Council district. The Panel has been appointed under Regulation 27 of The Local Authorities (Members' Allowances) (England) Regulations 2003 (the **Regulations**) to review and recommend allowances for those parish and town councils within the Dorset Council district that choose to administer or introduce a scheme.

3. The Panel noted that, historically, few parish and town councils in districts within the former Dorset County Council area have implemented schemes of allowances. The Panel recognises that many parish and town councils in Dorset are small and run with small precepts.

4. The Panel is authorised to make recommendations as follows:

- a) the amount of a basic allowance, and whether this should be payable to all members or only to the chairman;
- b) whether, if the basic allowance is payable to both the chairman and all members, the allowance payable to the chairman should be set at a higher level and if so, what that higher amount should be;
- c) the amount of travelling and subsistence allowances payable and the responsibilities or duties for which any such allowance is payable.

5. Regulation 29 requires that the Panel must express any recommendation for a basic allowance for parish and town councils as a monetary sum and as a percentage of the Dorset Council's basic allowance.

6. The Panel's review took into account the changing context of local government within Dorset and the move to a unitary council form of governance. Dorset Council is a district council with county council powers. In the long-term this may result in delegation of functions to parish and town councils, and therefore more responsibilities for councillors. The Panel was advised that no such process had commenced and that the level of responsibilities and workloads of parish and town councillors have not changed significantly since they were last reviewed.

7. The Panel was provided with the current schemes of allowances payable to parish and town councils within the former West Dorset and Purbeck District Councils. The Panel took into consideration that these authorities were abolished on the creation of Dorset Council. The effect of local government reorganisation and the effect on members of councils will not be understood until the new arrangements are bedded in. Therefore, the Panel **recommends** that a further review is undertaken in 12 months' time.

8. The Panel is of the view that the size of a council's electorate is a significant indicator of the complexity of the role of its respective members. It may be possible, in the future, to accommodate special circumstances pertaining to a council by characterising it at a different Level, following a further review. The Panel was informed that the Dorset Council is not aware currently of any such special circumstances in relation to any town or parish council in the Dorset Council area.

Level 1	up to 2,499	Small, mainly rural parishes
Level 2	2,500-4,999	Large rural parishes small towns
Level 3	5,000-9,999	Small market towns
Level 4	10,000-19,999	Larger market towns/local centres
Level 5	20,000-35,000	Significant towns
Level 6	35,001 and above	Major population centres

9. The Panel therefore **recommends** that the maximum basic allowance payable to members of parish and town councils be as follows calculated on a basic allowance for 2019/20 of £13,000 as set out in Dorset Council's Scheme of Members' Allowances:

	Electorate (The number of councils that fall within each grouping is shown in brackets)	Percentage of basic allowance paid to Dorset Councillors £	Maximum basic allowance per Town/Parish Councillor £
Level 1	0 – 2,500 (240)	2%	260
Level 2	2,501 – 5,000 (9)	3%	390
Level 3	5,001 – 10,000 (13)	4%	520
Level 4	10,001 – 20,000 (3)	5%	650
Level 5	20,001 – 35,000 (0)	8%	1,040

Level 6	35,001 and above (1)	10%	1,300
----------------	----------------------	-----	-------

10. The Panel **recommends** that if a council pays an enhanced basic allowance to its chairman, then such chairman's basic allowance shall not exceed twice that basic allowance payable to other members.

11. In view of the number and the differences in both size and scale of activity, the Panel **recommends** that, **each parish and town council should determine the basic and chairman's allowances, subject to the maximum set out above**. Each council is in the best position to make a judgement, based on individual circumstances, whether it is appropriate to pay:

- (i) all or part of the basic allowance to reflect any incidental costs and time commitment;
- (ii) a basic allowance to all members or just the chairman; or
- (iii) a higher amount to the chairman if all members are entitled to receive an allowance, subject to this not exceeding twice the maximum basic allowance set out above.

12. Where any scheme for the payment of vehicular travel allowances exceeds the allowances specified by HM Revenue and Customs Mileage Allowance Payments (**MAPs**), the excess is a taxable benefit to the claimant. The Panel further notes that to introduce taxable benefits into the travel allowances scheme would be a disproportionate bureaucratic burden on the council.

13. MAPs are currently:

- i) Car – 45p per mile up to 10,000 and 25p per mile thereafter;
- ii) Passenger payments – up to 5p per mile per passenger (up to a maximum of four) to be claimed only for passengers who would otherwise be eligible for travelling allowance;
- iii) Motorcycle – 24p per mile; and
- iv) Bicycle – 20p per mile.

14. The Panel **recommends** that:

- i) vehicular travel allowances be equal to MAPs;
- ii) travel by public transport (including rail and bus) reimbursement of the standard fare or actual fare paid; and
- iii) parking fees – actual amount paid.

15. The Panel **recommends** that any subsistence allowances should be based on reimbursement of receipted expenditure within the maximum limits as set out in the Dorset Council's scheme for officers as set out below.

Breakfast (business journeys must start before 7am)	£5.11
Lunch (business journeys must entail working away from home between 12 and 2pm)	£6.99
Dinner (can only be claimed when required to work away from home after 8.30pm)	£12.36

In addition, subsistence for overnight absence, other than London, should be £85.92 (room only and including VAT) or £112.96 if in London.

15. The Panel **recommends** that individual councils agree a list of approved duties for the payment of travel and subsistence allowances, similar to that set out in the Dorset Council's Scheme of Members' Allowances, and this be kept under regular review by the council.

16. The Panel wishes to emphasise that it does not suggest that it is appropriate for all councils to pay allowances. The Panel's recommended guideline is a maximum figure within which each council can determine its own scheme, if this is felt justified. The Panel **recommends** that where any council adopts a scheme of allowances, the commencement of such scheme should be back dated to the commencement of the current municipal year.

CHIEF EXECUTIVE'S CIRCULAR

DAPTC SUBSCRIPTIONS FOR 2020/21

The level of membership subscriptions for 2020/21 was considered on 7 December by the DAPTC Executive Committee. The committee is made up of representatives of all our area committees including all sizes of parish and town councils.

The committee decided that subscriptions will rise by the current inflation rate for retail price index (RPI) of 2.1 per cent to cover the impact of inflation.

To give an idea of the actual impact of this increase, a council currently paying £513.83 will pay £524.62 in 2020/21, an actual increase of £10.79.

A table of the subscription bands showing the actual cost of the increase is set out overleaf.

DAPTC has continued to put more staff resources into establishing greater contact with the new unitary councils. The role of parish and town councils is becoming more under pressure as changes will have a direct impact on their local communities. It is more important than ever, for parish and town councils to be represented by DAPTC.

Membership of DAPTC includes membership to the National Association of Local Councils (NALC), which provides national guidance such as a toolkit for combating climate change, to be produced in the new year.

DAPTC works closely with NALC to gain guidance on the many changes to legislation which affect the day to day operation of parish and town councils. In addition to providing advice from a specialist legal team, NALC provides a lobbying service directly to central government. Updates are sent to clerks and are reflected in DAPTC training and events.

We would like to encourage you to take full advantage of your Council's membership by sending up to two representatives to the DAPTC area meetings to maintain two-way communication on the impact of the rapidly changing public services in Dorset. The DAPTC Town and Larger Parishes Committee is also an important networking forum which meets quarterly throughout Dorset.

TABLE OF SUBSCRIPTION LEVELS

<u>DAPTC Subscriptions</u> <u>2020/21</u>				
Category	Scale of Electors	Subscriptions 2019/2020	Increase 2.1%	Subscriptions 2020/21
1	0 - 150	£50.71	£1.07	£51.78

Parish meetings		£33.67	£0.71	£34.38

Benefits of DAPTC membership

SPECIALIST ADVICE - DAPTC is able to advise member councils on a wide range of issues pertinent to their work and role including:

- **Legal Advice** - Legal queries, relating to the work of parish and town councils, are referred if necessary to the qualified legal specialists at NALC.
- **Procedural Advice** - Advice on procedural matters for member councils is normally answered in-house although more complex or unusual queries may be referred to NALC.
- **Financial and Insurance Advice** - Depending on their complexity, such queries are either handled in-house or referred to NALC.

DISSEMINATION OF CURRENT INFORMATION

The DAPTC provides new and updated information to its members via newsletters and circulars. It also provides publications for purchase at favourable cost. We are currently building a new website for our members. This website will be easier to use and view and will enable member clerks to book onto our training courses and conferences via Eventbrite.

NATIONAL AND LOCAL LOBBYING

- **At the National Level** Lobbying at the national level is usually carried out in co-ordination with NALC. DAPTC forwards consultation papers to its members to enable their voices to be heard.
- **Local Lobbying** Whenever appropriate, DAPTC lobbies public organisations in Dorset on behalf of our members on specific issues of concern to them. DAPTC is also a member of many consultative bodies, representing its members throughout Dorset.

TRAINING

The following is provided at reasonable cost to members:

- **Training courses** and other sessions are organised regularly for both Clerks and Councillors of parish and town councils. The training courses cover a wide range of subjects providing essential training to those new to local council work and refresher training for the more experienced.
- **Seminars** - Seminars provide updates on new legislation, Government initiatives and subjects of general interest to Clerks, Councillors and Chairmen. Non-member councils are required to pay double fees for attendance to any of the above events.

Dear Town/Parish Clerk,

Confirmation of Tax Base 2020/21

Further to my letter in September of this year, I can now confirm the 2020/21 tax base for your authority which you will find in the list of Dorset Council Parishes and Town Councils attached to this email. The tax base for 2019/20 along with a year on year percentage increase or decrease has also been included for information.

The tax base for your parish is used to calculate the council tax charge on a property in Band D by dividing your precept by the tax base. The charges for the other bands are set proportions of this Band D charge.

As a reminder, the Final Precept Notification form will need to be returned to us by **31 January 2020**. If you have not already returned the form, we would appreciate it if this could be returned as soon as possible.

The completed and appropriately signed form can then be returned by email (preferred please) to precepts@dorsetcouncil.gov.uk or via post to the above address. If you choose to return the form by post, please mark it clearly for the attention of *Financial Services*.

Timing of Payments

The precept requested on behalf of your Parish or Town Council will be paid to the nominated bank account in two equal instalments, normally being on 30 April 2020 and 30 September 2020. If either of those dates falls on a non-working day the payment will be made on the last working day of the relevant month.

If you have any questions please contact Sarah Thomas on 01258 484112 or via email to precepts@dorsetcouncil.gov.uk.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Jim McManus".

Jim McManus
Corporate Director
