Dear Janet,

Application for Grant for St Martin's Churchyard

I am writing, as in previous years, to ask whether the Parish Council would, once again, consider making a grant towards the upkeep of St Martin's churchyard/graveyard. It is important that we keep the area tidy and well maintained, and during 2021 this cost us £1,435. This year the work covers just grass cutting; there has been no work on the trees in the churchyard.

I enclose copies of the invoices that we paid for this work to be undertaken; I also enclose a form to seek a grant, based heavily on the form which I submitted last year. Finally I enclose a copy of the annual accounts, but please note that they have not yet been examined.

Please let me know if you have any queries.

Yours Sincerely,

Susan Adams
Hon. Treasurer

Amount of Grant Requested: £1,435.00 (or whatever the PC feels able to award)

Reason for application and use of funds if so awarded:

We continue to maintain the churchyard for the use of all villagers and residents of the surrounding area. It is not available only for church-goers, and the PCC (Parochial Church Council) of St Martin's must keep it in a safe and respectable condition. The same applies to the car park and although once again we have not had to spend anything on the carpark this year, it has been used mainly by members of the general public this year rather than to church activities. The condition has deteriorated somewhat and work will need to be undertaken in future.

I attach the latest Annual Accounts/ Audited Annual Accounts for the organisation or society.

Signed: Susan Adams
