

Quotation for Village boundary gates (Broadmayne)

The costs to replace the 4 wooden Village boundary gates at Broadmayne are:

Option 1

Removal of 4 wooden gates and installation of 4 white Glasdon Gates with 3 horizontal beams and 1 diagonal beam:

£5,199.92

Option 2

Removal of 4 wooden gates and installation of 4 white Glasdon Gates with 3 horizontal beams but no diagonal beam:

£4,745.00

Please see attached 960mm gate drawing. This is a rough drawing which shows the difference between the two gates I have quoted for.

Both options include removal of existing wooden gates, gateway assembly, installation of gates and traffic management during the works.

Should you wish to proceed with these proposed works please send a cheque to the below address for the total amount made out to 'Dorset Council' or ring my colleague Maria Pollard (01305 228184) to pay by other means.

Once we have received full payment we will contact you with an estimated completion date for the works.

Should the signs suffer damage and require replacement then the costs would need to be borne by yourselves unless they could be recovered from those involved. I would suggest that you take out insurance to cover this eventuality.

Yours sincerely

Adam Marsh, Technical Officer
Economic Growth and Infrastructure
Dorset Council
