Notes to assist your application:

1. Parish Council grants are made from public funds and the Council may ask for additional information from the applicant. This might include details of applications to alternative sources and the contribution to be made by the organisation itself. Grants made under section 137 of the Local Government Act 1972 are made at the discretion of the Parish Council where the benefit to be provided is in the interests of, and will bring direct benefit to, its area or any part of it, or all or some of its inhabitants. Other grants such as those made to the Parochial Church Council for the upkeep of the graveyard, to the Village Hall Management Committee, and to the Playing Fields Association are made under separate powers.

2. A responsible member of the organisation should attend the meeting of the Council at which the application is to be discussed.

Please use this side for any additional information.

EXTRA NOTES:

For the trial period last year:

- The Village Hall Trustees allowed the use of the Committee Room and heating at no charge.
- Some supplies were gifted, being remainders from other events.
- In the main, volunteers chose not to recover costs of further supplies.

This year WWW needs to be run on a more sustainable financial footing, which the requested grant would provide:

- We will be paying the Village Hall for the use of the room, at a 50% discount of the Local's Rate.
- We aren't starting the season without remaindered supplies.
- We intend to reimburse volunteers for money spent.
